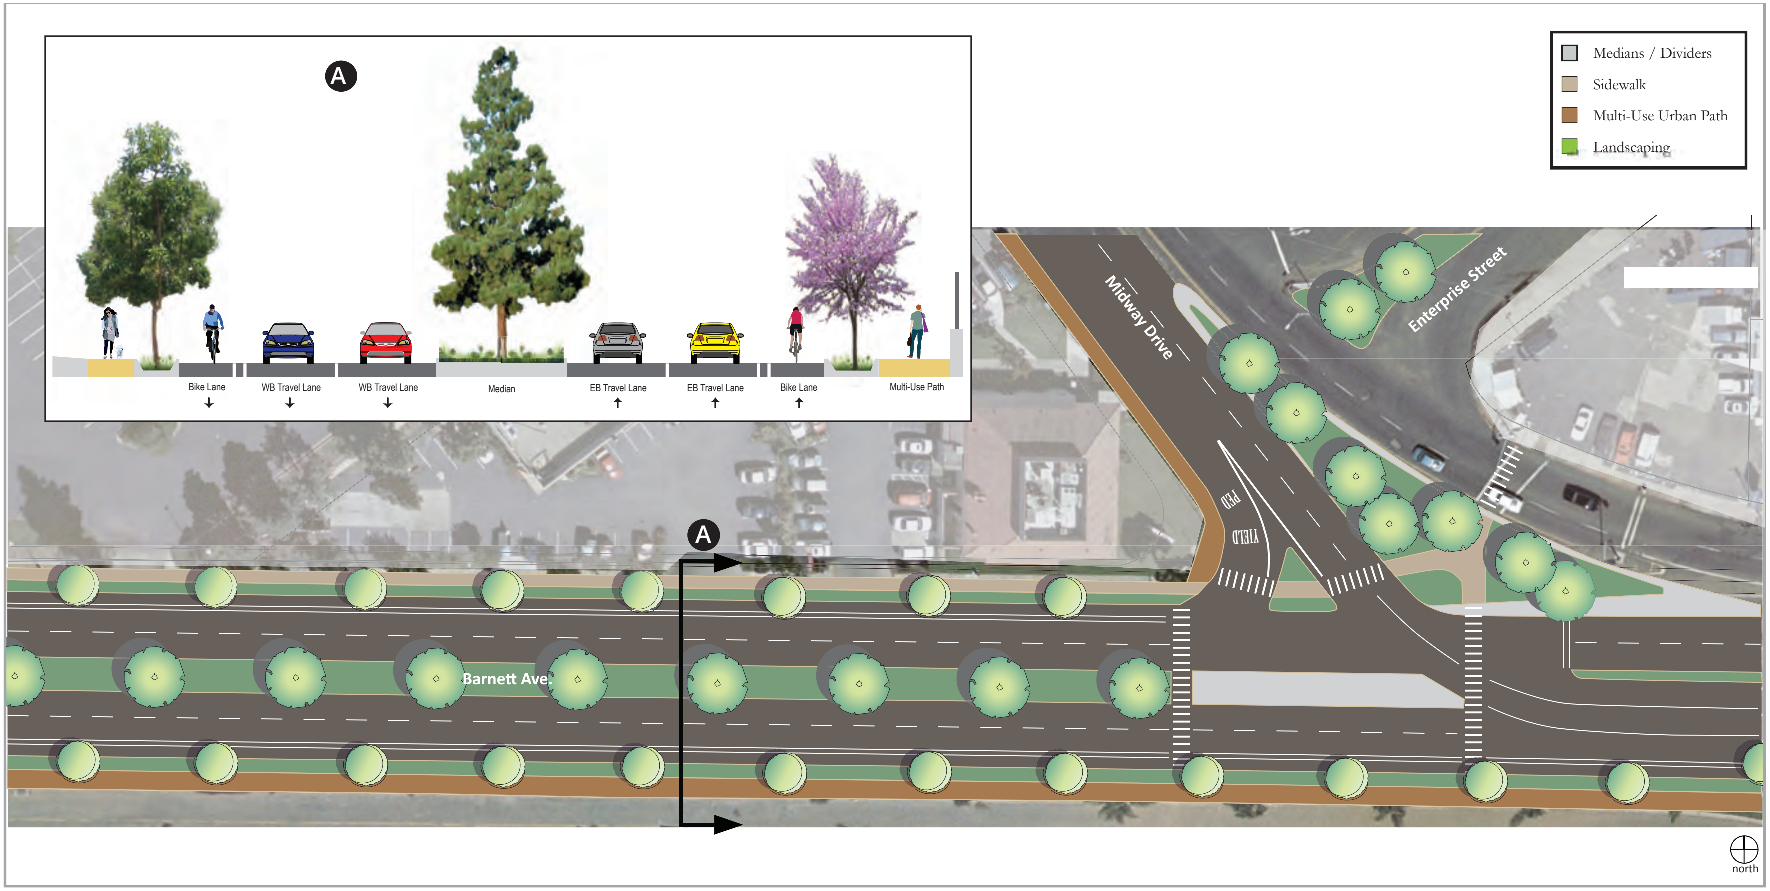
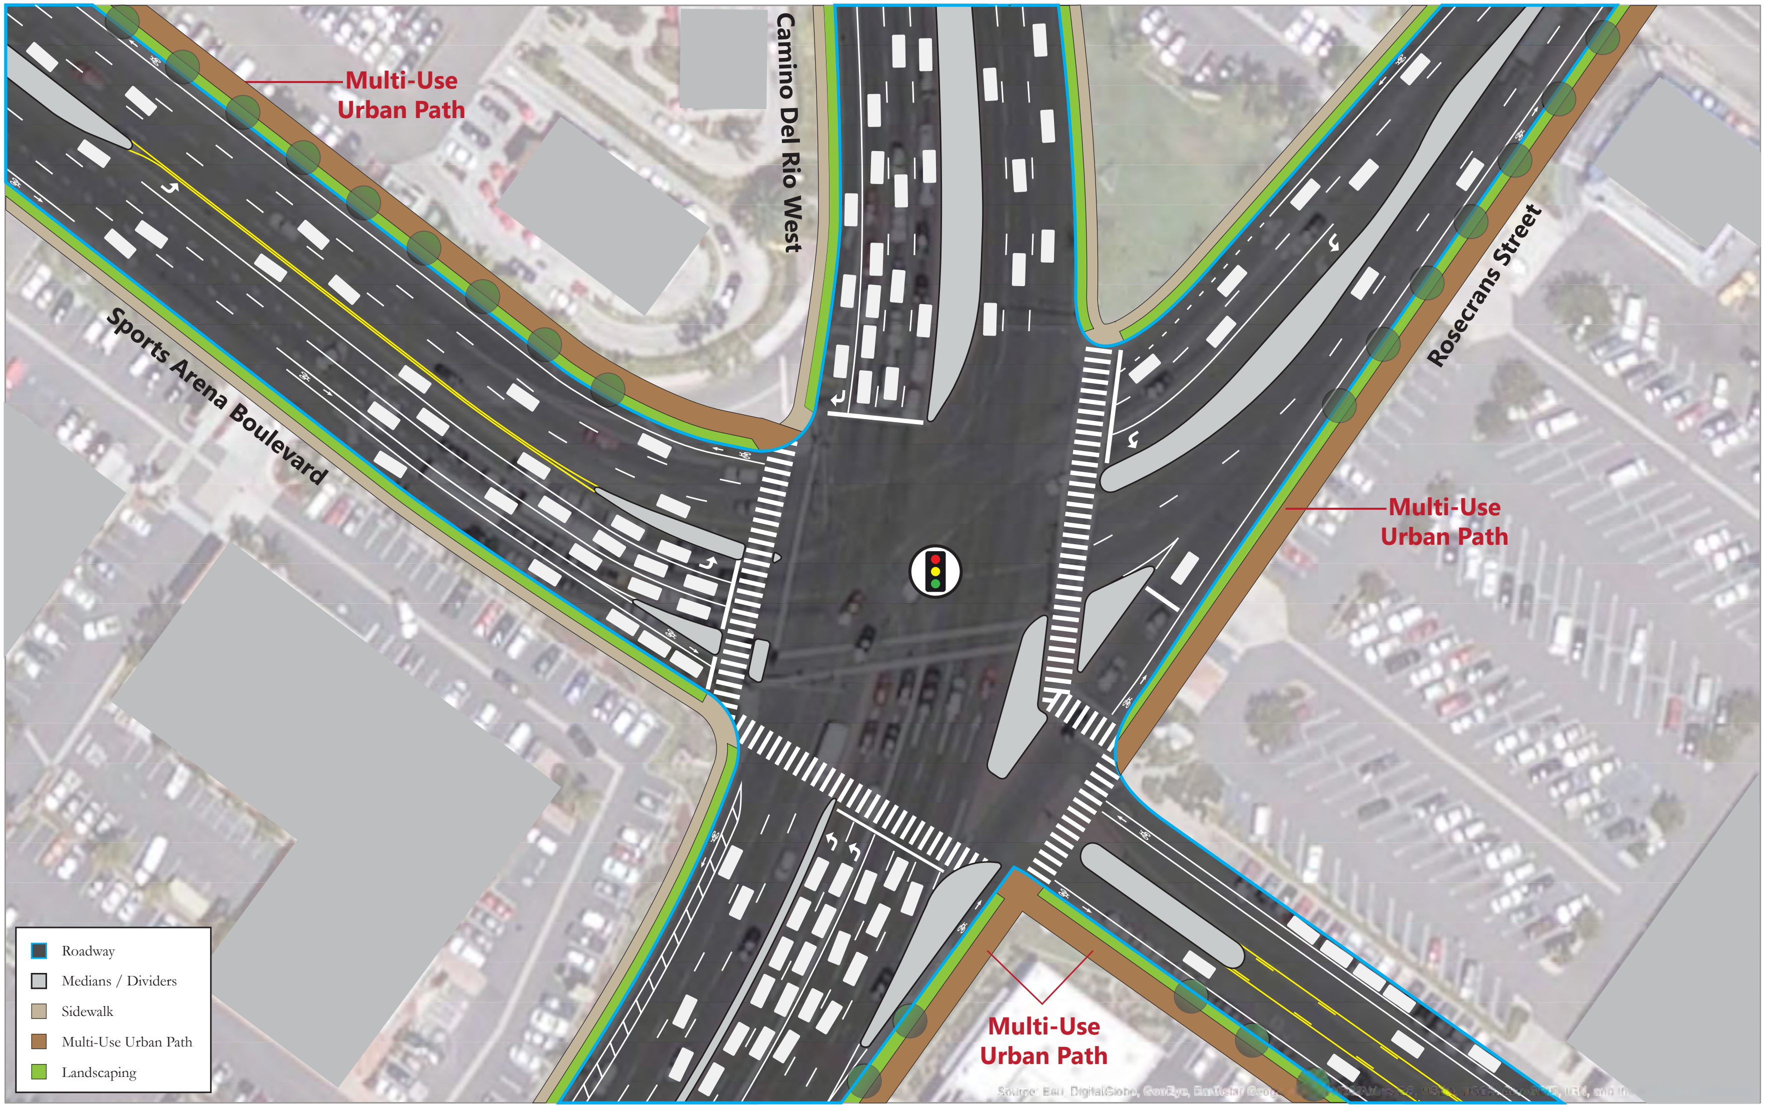
MIDWAY-PACIFIC COMMUNITY PLAN EXCERPTS

FIGURE 3-13: BARNETT AVENUE / LYTTON STREET IMPROVEMENTS



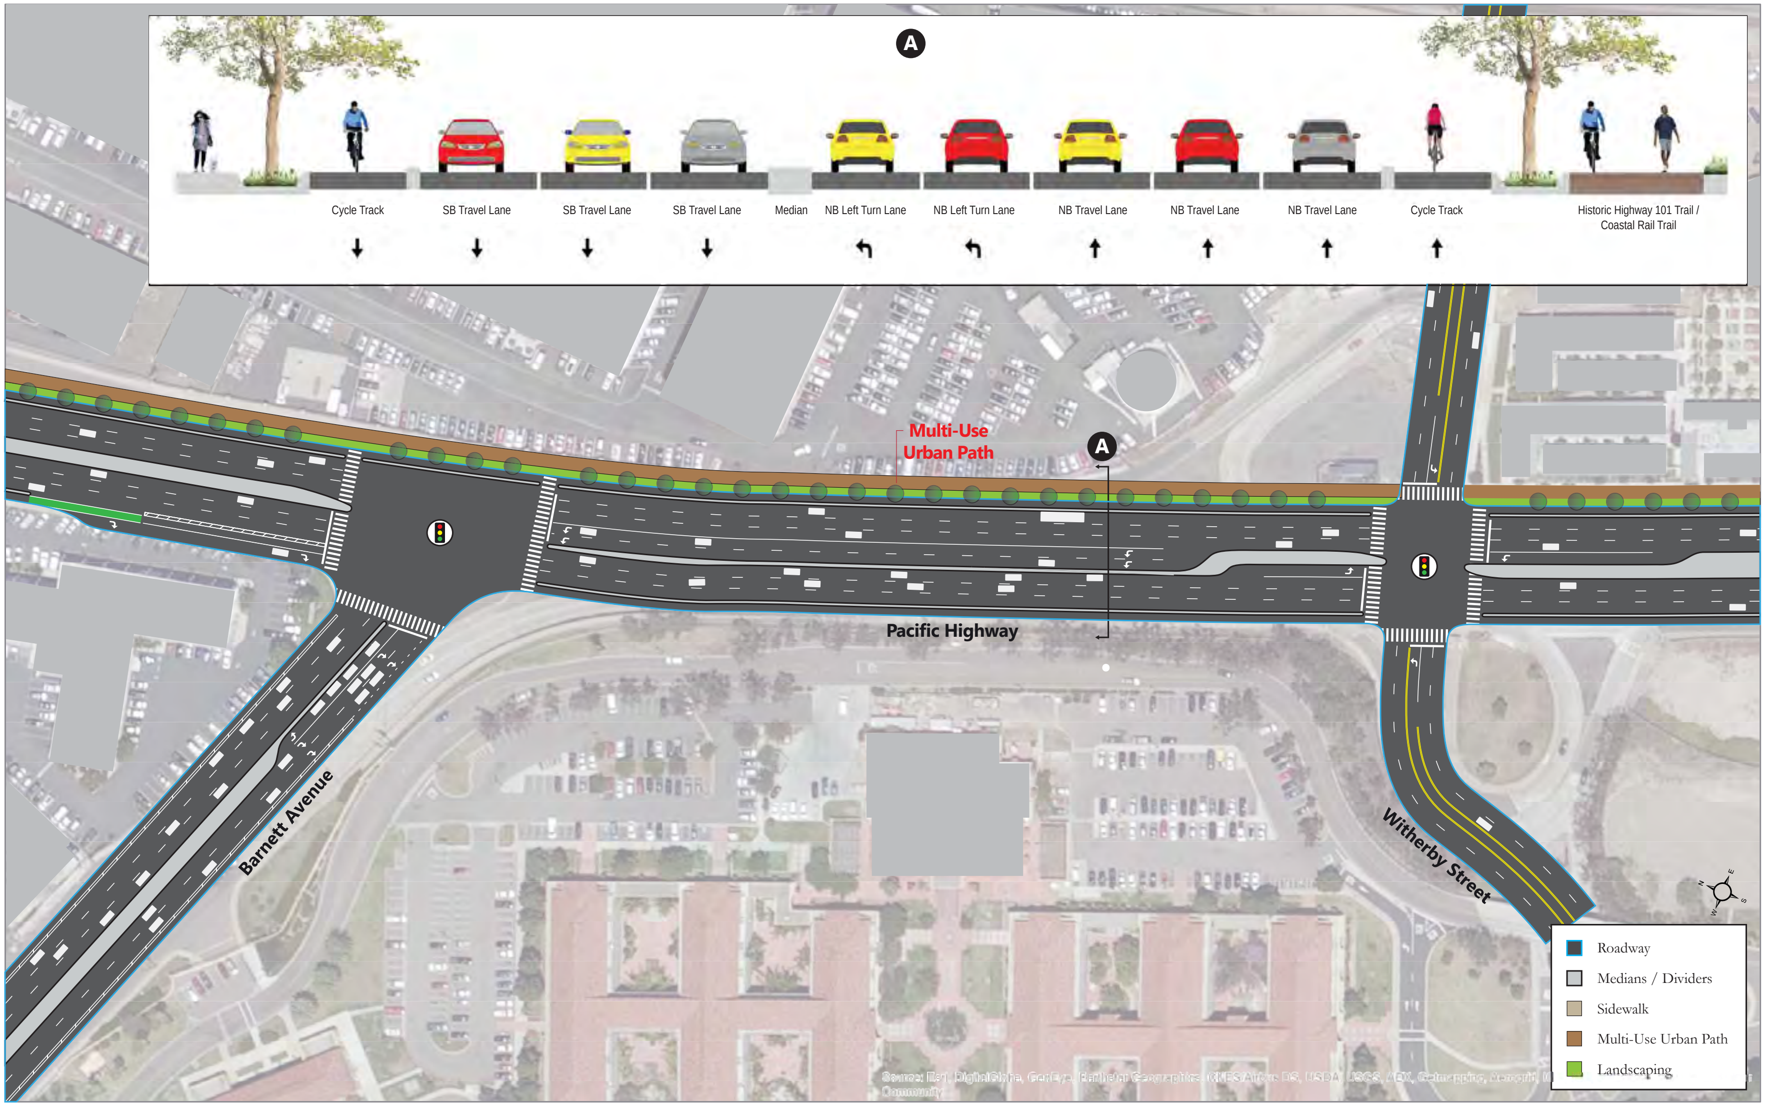
This graphic is for conceptual purposes only. Further engineering study would be required at the project level prior to implementation.

FIGURE 3-15: SPORTS ARENA BOULEVARD / ROSECRANS STREET / CAMINO DEL RIO WEST INTERSECTION IMPROVEMENTS



This graphic is for conceptual purposes only. Further engineering study would be required at the project level prior to implementation.

FIGURE 3-16: PACIFIC HIGHWAY / BARNETT AVENUE / WITHERBY STREET INTERSECTION IMPROVEMENTS



This graphic is for conceptual purposes only. Further engineering study would be required at the project level prior to implementation.

Project Location	Improvements
East side of Pacific Highway, between Taylor Street and Laurel Street	Implement green street elements/improvements that are aimed to improve active transportation facilities along the entire stretch of the segment. Active transportation improvements include: Install a 12 ft. wide multi-use urban path on the east side of the roadway that will replace the existing sidewalk. Install pedestrian scale lighting along the length of the path (Historic Highway 101). Storm water management improvements may include but not be limited to, street tree planting, both-side bioswales, and median landscaping (where feasible).
Hancock Street Extension	Extend Hancock Street between Midway Drive and Sports Arena Boulevard as a pedestrian and bicycle connection.
Midway Drive between Bogley Drive and Barnett Avenue	Install new sidewalks on the east side of the roadway.
Jessop Lane between Enterprise Street and Barnett Avenue	Install new sidewalks on both sides of the roadway.
St. Charles Street between Lytton Street and Cadiz Street	Install new sidewalks on both sides of the roadway.
Kemper Street between Kenyon Street to Midway Drive (South Side)	Install new sidewalks on the south side of the roadway.
Sports Arena Boulevard between Rosecrans Street and Pacific Highway	Install new sidewalks on the south side of the roadway.
Kurtz Street between Rosecrans Street and Pacific Highway	Install new sidewalks on both sides of the roadway.
Pacific Highway between Couts Street and Washington Street	Install new sidewalks on the southwest side of the roadway.
Witherby Street between Hancock Street and Pacific Highway	Install new sidewalks on both sides of the roadway.
Channel Way west of Hancock Street and east of Western Street	Install new sidewalks on north side of street adjacent to I-8 ROW.
Hancock Street between Channel Way and Hicock St.	Install new sidewalks on north side of street adjacent to I-8 ROW.
Intersection of Midway Drive and Enterprise Street	Install bulb-outs on the northeast leg of the intersection. Install a pedestrian refuge island on the northeast leg of the intersection.

LAND USE DESIGNATIONS

LAND USE TYPE*
Residential
Congregate Care Facility
Estate Housing
Mobile Home
Multiple Dwelling Unit (all sizes)
Retirement/Senior Citizen Housing
Single Family Detached
Commercial Employment
Hospital: Convalescent/Nursing
Hospital: General
Industrial/Business Park
Small Industrial/Business Park
Large Industrial/Business Park
Scientific Research and Development
Hotel (w/convention facilities/restaurant)
Motel
Resort Hotel
Military Base
Commercial Office
Corporate Headquarters/Single Tenant Office
Medical Office
Government Offices (Use is Primarily Office with Employees; not Providing In-Person Customer Service)
Industrial/Agricultural Employment
Industrial: Manufacturing/Assembly
Industrial: Rental Storage
Industrial: Truck Terminal

LAND USE TYPE*
Industrial: Warehousing
Agriculture
Regional Public Facilities/Services: Not Locally Serving
Airport
Cemetery
University
Community College
High School: Private
Junior High/Middle School: Private
Elementary School: Private
House of Worship: General
House of Worship: Without School or Day Care
Bus Depot
Regional Park or Beach, Ocean or Bay Park
Public Facilities/Services: Locally Serving
High School: Public
Junior High/Middle School: Public
Elementary School: Public
Day Care Center/Child Care Center
Library
Department of Motor Vehicles
Government Offices (Providing Primarily In-Person Customer Service)
Post Office
Park & Ride Lot
Transit Station
Neighborhood Park (developed or undeveloped)
Regional Retail (includes Recreational Uses): Not Locally Serving
Shopping Center: Community (100,000 sq. ft. or more GLA on 10 or more acres)
Shopping Center: Regional (300,000 sq. ft. or more GLA)
Marina
San Diego Zoo
Sea World
Golf Course

LAND USE TYPE*
Retail (includes Recreational Uses): May Qualify for Screening Based on Size (of less than 100,000 square feet)/Market Study. If multiple retail land uses are provided as one development, the sizes for all retail uses must be summed and considered together as a shopping center to determine whether the project qualifies for screening.
Automobile Services
Convenience Market Chain
Discount Store/Discount Club
Drugstore
Furniture Store
Lumber/Home Improvement Store
Nursery
Restaurant
Shopping Center: Neighborhood (30,000 sq. ft. or more GLA on 10 or fewer acres)
Specialty Retail Center/Strip Commercial
Supermarket
Financial Institution (Bank or Credit Union)
Bowling Center
Movie Theater
Racquetball/Tennis/Health Club
Sport Facility (Indoor or Outdoor)

*The above land use designations are sourced from the *San Diego Municipal Code, Land Development Code: Trip Generation Manual*.
